*Mr. Yates L. Holland*

The primary purpose of our school is to provide learning experiences which will enable each of you to develop your natural abilities so that you will be able to provide in a better manner the necessities of life for yourself and family, and also enjoy the fine things of life. A second purpose of equal importance is to help develop each of you into well-rounded citizens who will be able to make a worthwhile contribution to the society in which you live.

May the activities and experiences depicted in this book always provide you with many pleasant memories of bygone days in which many true friendships were formed and much satisfaction received from many well-learned accomplishments.

My fondest hope for you is that many happy and successful years might lie ahead.

Very sincerely yours,  
Yates L. Holland

### THE LIGHT OF KNOWLEDGE

Twos only years ago we slowly began our excursion  
Through the endless halls of education,  
Our minds were eager to grasp  
The knowledge which lurked in the halls.  
Holding the candle of learning,  
It made possible for our minds  
To be fed with the bountiful fields of knowledge  
Which would enable us to ring the bells of the future.

Alas, the time of graduation beckons us.  
Tis true sweat, toil, and hardships accompanied us  
On our journey through the dark caves of knowledge.  
The strong were able to continue their journey  
Through the cave; seeking a taste out of the bowl  
Of life through the light of learning.  
The weak became frightened of the darkness of the cave  
And fell by the wayside and eventually out of the cave.  
For the ones who still journeyed through the dark cave,  
The light of learning cast an immense shadow  
Over us which opened doors to new horizons  
And made it possible for us to see  
The great task which lies before us,  
To better ourselves in the light of learning so  
That we may be the leaders of tomorrow.

## School Song

O, here's to you so good and true,  
O, here's to ole Franklinville.  
We'll sing your praise  
Through all our days,  
And we will never fail.

And when we're done with high school fun,  
And all our carefree ways,  
Our all we'll give once more to live  
Again those happy days,  
Again those happy days.

## Motto

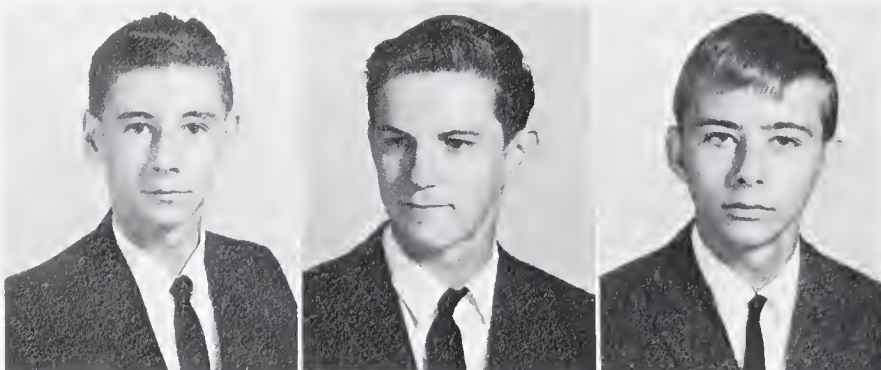

At dawn of love, at dawn of life  
At dawn of peace that follows strife,  
At dawn of all we long for so  
The sun is rising—let us go.

Donna Shaw, Mr. Clyde Whatley, coach, Patricia Ammen

Brenda Moore

For the first time in over thirty years, our girls won a championship. The girls of 1963-1964 won the Randolph County Tournament in a most exciting and gratifying fashion.

In the first game, Franklinville beat Seagrove 28 to 24. Brenda Moore led the Lady Cardinals to victory.

In the second game, the Lady Cardinals beat Grays Chapel 25 to 22 behind a balanced scoring attack and a stingy defense.

Finally, the night of the big game rolled around. It was evident this was our night as the Lady Cardinals went on to win by a score of 40 to 31. Nina Kidd, who tallied eighteen points, Hilda Malone, who tallied eleven points, and Brenda Moore were All-County selections.

Congratulations girls on a great season!
